FROM RICHMOND, VA.

Several neembers here exclaimed, in the Brainer Court-innertial—Hoge Recalled—Further Interesting Developments.

NASHVILLE, April 20.

In the trial of Henry Bruner before the const-martial to-day Win McKay 110ge was recalled. He stated that he gave receipts for \$23,000 to Isham Henderson. At Henderson's request he gave him several receipts at different times, and be always. al loss, still the circumstances were so peculiar and the act so noble that the committee agreed to submit to the house the question of giving to the old man, for the less that of which he exhibited such a high degree of gallantry and particism, a small pension. If \$100 was too much, the House might reduce it.

Mr. Wastburre, of Illinois—We understand from the reading of the report that the bill was talt man the derson's request he gave him several lpts at different times, and 1 c always on. False recently former for land the latter for several comparison, and the latter for several comparisons and the latter for several comparisons. From D. Hendelson and the latter for several comparisons and the latter for several comparisons and the latter for several comparisons. The question was then taken a several comparison and the latter for several comparisons and the latter for several comparisons.

can be called a more seen the sestate.

The testimony of the witness entirely exculpated Braner from any complicity in the issuing of fraudulent recepts, he having kentrarefully concealed from him my knowledge of the transaction he had knowledge of the transaction he had

mns and passed.

Mr. Helatno, from same committee, reported back the Senute hill authorizing The doors G. Eswood, of Providence, R. L.
two one thousand dular 7:30 bonds in
lies of two such bonds Nes, 104, 152 and
104, 173, partially destroyed by fire, and
the charred roumants of which are all
central in the Treasury.

The lift was considered and passed.
The House then proceeded to the consideration of the ball to reorganize and
establish the army of the United States,
the pending question being on Mr. Thayer's amentment to the 10th section, rewriting,

Mr. Schenek moved to amend the section by adding to it the following provisor. Provided, that nothing in this section shall be construed to vacate the commissional form of the section of assistant adjulnant general, but only to change the title to adjulant in case of those who rank as Lieutenant-Colonel Qr. Major without effecting in any way their relative position of time from which they take such rank.

is reported seized by the Spanish squadron at Valpacaiso.

Arrested for Shipping Nitro Glyrerine without the Proper Precuntions.

New York, April 20.

This morning Calotta Burnstenbinder was arrested on the compaint of Murshall Baker for shipping a quanty of nitroglycerine to California, the same that exploited. There was about two bundred pounds in all, and shipped without labeling the packages and informing the captain of the vessel of the murre of the experiment of the vessel of the murre of the experiment of the vessel of the murre of the experiment of the vessel of the murre of the captain of the vessel of the murre of the
